

In 2021, Peace at Home was able to provide life-saving shelter and support for over 1,000 members of our community fleeing domestic violence. These critical services are only possible with support from important community stakeholders, like you.

About Peace at Home:

Founded in 1977, Peace at Home Family Shelter was the first program in Arkansas to provide safe shelter for abused women and their children. Each year, our crisis hotline, safe emergency shelter, housing assistance, counseling, and legal services empower hundreds of families to leave abuse and establish non-violent homes.

The Courage Award honors individuals or groups who have shown fortitude, strength, and dedication to empowering domestic violence survivors and their families through volunteerism, philanthropy, and commitment to eradicating violence from our communities. These awards are given by Peace at Home Family Shelter to acknowledge the contributions of the individuals who best exemplify the Shelter's mission: to empower victims of domestic violence to survive and thrive.

We are excited to host this event in a new venue with approximately 250 supporters to recognize and remember Candy Clark and to raise awareness and needed funding for the Candy Clark Pet Sanctuary!

2022 Courage Award Honorees: In Memory of Candy Clark

Candy Clark was a local business owner, community advocate, and served Washington County as a Justice of the Peace for six years. She was the first Executive Director of the Humane Society of the Ozarks and her advocacy for animals continued throughout her life. During her lifetime, Candy was passionate about helping survivors of domestic violence leave abusive situations safely with their pets. While Candy Clark passed away in 2020, her memory and legacy will continue in a critical community resource: the Candy Clark Pet Sanctuary at Peace at Home Family Shelter.
