

Peace at Home Family Shelter Community Council

Founded in 1977, Peace at Home Family Shelter was the *first* program in Arkansas to provide safe shelter for abused women and their children. Our safe emergency shelter, crisis hotline, housing assistance, counseling, and legal services empower over 1,000 adults and children to leave abuse and establish non-violent homes each year.

Our mission is to end intimate partner violence by empowering victims to survive and thrive by nurturing their self-determination, courage, and to promote healthy relationships and communities through education, outreach, and advocacy.
