

In 2022, Peace at Home was able to provide life-saving shelter and support for over 1,000 members of our community fleeing domestic violence. These critical services are only possible with support from important community stakeholders, like you.

About Peace at Home:

Founded in 1977, Peace at Home Family Shelter was the first program in Arkansas to provide safe shelter for abused women and their children. Each year, our crisis hotline, safe emergency shelter, housing assistance, counseling, and legal services empower hundreds of families to leave abuse and establish non-violent homes.

About Annual 2023 Courage Awards Luncheon:

Date: October 12, 2023, 11:30am-1:30pm

Location: Fayetteville Public Library Event Center

Celebrate Domestic Violence Awareness Month and join us for lunch and an inspiring program about the families helped with your support of Peace at Home Family Shelter!

The Courage Award honors individuals or groups who have shown fortitude, strength, and dedication to empowering domestic violence survivors and their families through volunteerism, philanthropy, and commitment to eradicating violence from our communities. These awards are given by Peace at Home Family Shelter to acknowledge the contributions of the individuals who best exemplify the Shelter's mission: to empower victims of domestic violence to survive and thrive.

We are excited to host this event with approximately 350 supporters to recognize Mayor Lioneld Jordan and to raise funding for Peace at Home's critically important emergency shelter!
